Roles and Accountabilities

The Diocese of Norwich Education and Academies Trust is accountable for all policies across its Academies. All policies whether relating to an individual academy or the whole Trust will be written and implemented in line with our ethos and values as articulated in our prospectus. We are committed to the provision of high quality education in the context of the Christian values of service, thankfulness and humility where individuals are valued, aspirations are high, hope is nurtured and talents released.

A Scheme of Delegation for each academy sets out the responsibilities of the Local Governing Body and Principal / Head Teacher. The Principal / Head Teacher of each academy is responsible for the implementation of all policies of the Academy Trust.

Background

This 'Preventing Radicalisation Policy' is part of our commitment to keeping children safe. Since the 'Education and Inspections Act 2006' schools and academies have a duty to promote community cohesion. Over the last few years, global events have led to a growth of extremist viewpoints, including advocacy of violent extremism.

Academies and schools have an important part to play in both educating children and young people about extremism and recognising when pupils start to become radicalised. In March 2015, new statutory duties were placed on academies and schools by the Counter Terrorism and Security Act (2015) which means they must work to prevent children being drawn into extremism.

Safeguarding children from all risks of harm is an important part of an academy's work and protecting them from extremism is one aspect of that.

Ethos

At The Nar Valley Federation of Church Academies we ensure that through our vision, values, rules, diverse curriculum and teaching we promote tolerance and respect for all cultures, faiths and lifestyles. The Trust Board and local governing body also ensures that this ethos is reflected and implemented effectively in the academy policy and practice and that there are effective risk assessments in place to safeguard and promote pupils' welfare. We have a duty to prepare our children for life in modern Britain and to keep them safe.

Pupils who attend our academy have the right to learn in safety. We do not tolerate bullying of any kind and will challenge derogatory language and behaviour towards others.

The duty to prevent children and young people being radicalised is set out in the following documents.

Definitions

Extremism is defined in the 2011 Prevent strategy as vocal or active opposition to fundamental British values, including democracy, the rule of law, individual liberty and mutual respect and tolerance of different faiths and beliefs. We also include in our definition of extremism calls for the death of members of our armed forces, whether in this country or overseas.

Radicalisation refers to the process by which a person comes to support terrorism and extremist ideologies associated with terrorist groups.

British Values are democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs.

Roles and Responsibilities

Role of the Local Governing Body

It is the role of the Trust Board and the academy local governing body to ensure that the academy meets its statutory duties with regard to preventing radicalisation.

The local governing body has a nominated person who will liaise with the Headteacher and other staff about issues to do with protecting children from radicalisation.

Role of the Headteacher

It is the role of the Headteacher to:

- ensure that the academy and its staff respond to preventing radicalisation on a day-to-day basis,
- ensure that the academy's curriculum addresses the issues involved in radicalisation
- ensure that staff conduct is consistent with preventing radicalisation

Role of Designated Safeguarding Lead

It is the role of the designated safeguarding lead to:

- ensure that staff understand the issues of radicalisation, are able to recognise the signs of vulnerability or radicalisation and know how to refer their concerns
- receive safeguarding concerns about children and young people who may be vulnerable to the risk of radicalisation or are showing signs of radicalisation
- make referrals to appropriate agencies with regard to concerns about radicalisation
- liaise with partners, including DNEAT and the police
- report to the local governing body on these matters

Role of staff

It is the role of staff to understand the issues of radicalisation, are able to recognise the signs of vulnerability or radicalisation and know how to refer their concerns.

Curriculum

We are committed to ensuring that our pupils are offered a broad and balanced curriculum that aims to prepare them for life in modern Britain. We encourage our pupils to be inquisitive learners who are open to new experiences and are tolerant of others.

The academy's curriculum prevents pupils from becoming radicalised in the following ways:

- Through PSHE where pupils explore diversity in a sense of differences and similarities and how we are all unique and individual as well as the need to respect each other's diversity.
- Through our federation values and vision which are incorporated into all we do including within the curriculum through:

Everybody Safe, Everybody Happy, Everybody Learning

'Being respectful, responsible, courageous, thankful and hopeful'

Through our Christian Values we are an inclusive Federation which strives to build lasting memories, increased life opportunities, forges harmony not just happiness, promotes and develops the importance of relationships, embraces failure as well as success and develops resilience to support our pupils to face an ever changing future

- Through a broad and balanced curriculum where skills of debate, persuasion and learning about other cultures, beliefs, views and religions where children develop a greater understanding of the world around them and how varied and different we all are

These values support the development of the whole child as a reflective learner within a calm, caring, happy and purposeful atmosphere. Teaching the academy's and DNEAT core values alongside the fundamental British Values supports quality teaching and learning, whilst making a positive contribution to the development of a fair, just and civil society.

Internet Safety

The internet provides children and young people with access to a wide-range of content, some of which is harmful. Extremists use the internet, including social media, to share their messages. The filtering systems used in our academy blocks inappropriate content, including extremist content.

We also filter out social media, such as Facebook. Searches and web addresses are monitored and the ICT technicians will alert senior staff where there are concerns and prevent further access when new sites that are unblocked are found.

Where staff, students or visitors find unblocked extremist content they must report it to a senior member of staff.

We are aware that children and young people have access to unfiltered internet when using their mobile phones and staff are alert to the need for vigilance when pupils are using their phones.

The e-Safety and ICT Acceptable Use Policy refers to preventing radicalisation and related extremist content. Pupils and staff are asked to sign this policy annually to confirm they have understood what is acceptable.

Pupils and staff know how to report internet content that is inappropriate or of concern.

Staff Training

Staff will be given training to help them understand the issues of radicalisation, are able to recognise the signs of vulnerability or radicalisation and know how to refer their concerns. This information also forms part of induction safeguarding training. Staff are updated as necessary in weekly safeguarding briefings.

Safer Recruitment

We ensure that the staff we appoint to the academy are suitable, our recruitment procedures are rigorous and we follow the statutory guidance published in part 3 of Keeping Children Safe in Education (2016). Vetting and barring checks are undertaken on relevant people, including governors and volunteers.

Visitors

Visitors to the academy are made aware of our safeguarding and child protection policies on arrival at the academy and are given information about what to do if they are concerned about any aspect of child welfare.

Visitors who are invited to speak to pupils will be informed about our preventing extremism policy and relevant vetting checks are undertaken. We undertake due diligence to ensure that visiting speakers are appropriate. Speakers will be supervised at all times and will not be allowed to speak to children without a member of staff being present.

Staff must not invite speakers into the academy without first obtaining permission from the Headteacher.

'No platform for extremists'

The academy is vigilant to the possibility that out-of-hours hire of the academy premises may be requested by people wishing to run an extremist event. The academy does not accept bookings from individuals or organisations that are extremist in their views and will seek advice from DNEAT in the event of any concerns with contact from such external bodies.

Signs of vulnerability

- making remarks or comments about being at extremist events or rallies outside the academy
- evidence of possessing illegal or extremist literature
- advocating messages similar to illegal organisations or other extremist groups

- graffiti, art work or writing that displays extremist themes

When there are significant concerns about a pupil, the Designated Safeguarding Lead in liaison with the Headteacher will make a referral to the appropriate body.

Monitoring and Review

This policy will be monitored by the local governing body at least annually by receiving a report from the Designated Safeguarding Lead.

This is not a statutory policy and will be reviewed at an appropriate time not later than two years after ratification by the local governing body.
