

Thursday 4th February 2021

Hello everyone,

Just a quick message to say you are all doing FABULOUS!

We are doing some of the YUMU online music again so if you need your login message me and I will send it to you.

Don't forget to do the PE Challenges! Also, for our zoom call tomorrow we are doing to do a 'dress up theme' of 'what makes you you?' for Children's Mental Health Week. So, dress up in something that defines you!

I hope you all have a fun day and enjoy doing the learning!

Mrs Cole

When you  
stop & look around,  
life is pretty  
amazing.

**Children's Mental Health Week**  
**5 Outdoor Activities**

- Monday:** Go outside and close your eyes. What can you hear?
- Tuesday:** Stand in an outdoor space. What is the weather doing? What does it feel like? How does it make you feel?
- Wednesday:** Can you spot any signs of spring? How many can you find?
- Thursday:** Watch the clouds. Look up at the sky in the morning, afternoon and early evening. How has it changed?
- Friday:** Have fun! Go for a walk, play a game, run, jump, skip or hop.

Remember to take part in the PE challenges for this week and don't forget to send me your scores (outlined in the document posted on ClassDojo).

Handwriting  
(10 minutes)

Can you practice the letter **v**?

Try writing:

v

van

vroom

a van went vroom

Phonics (20-30  
minutes)

Today we are revising the 'sh' digraph. Watch the Phonics Fairy's video below:

sh, shh, we have a plan!

**Task:**

Practice reading the tricky troll words 'was' and 'she' today from your key skills pack. You could ask your grown up to write them on post it notes and stick around the house for you to find and read.

Use these 'sh' words and trace them in a tray filled with bird seed or use a white crayon to write them and use a blue watercolour over the top to reveal it! Or use washing up liquid in a bag, chalk, oats etc.

As you write the word, look for the 'sh' digraph, does it come at the beginning or the end?

Maths (20 minutes)

Today we are learning about the composition of 6, 7 and 8!

Starter:

#MathsEveryoneCan

Go on a hunt to find the number 6  
How many different ways can you see 6?

Can you find the numeral 6?  
Can you spot a group of 6 objects?

White Rose Maths

Do the same for the numbers 7 and 8!

Now complete this challenge, you could use dominoes at home to help you:

### Dotty Dominoes Composition of 6, 7 and 8

Each of my dominoes should have 6 dots in total. Can you draw the missing dots?

Each of my dominoes should have 7 dots in total. Can you draw the missing dots?

Each of my dominoes should have 8 dots in total. Can you draw the missing dots?

Now play this game to consolidate your learning! You can play all the levels of this game:

Here is a video showing you how you can make a compass from a magnet, piece of tin foil, needle and water:

<https://www.youtube.com/watch?v=ldSGqVF83M>

**Task:**

Make yourself a compass and figure out which way these things face:

- The front door
- Your bed
- The fridge
- Something outside your house

Take a picture of each of these with you using your homemade compass!

Literacy (20 minutes)

## Lost and Found Story Writing

**Task:** Over today and tomorrow, I would like you to write some sentences for the story of 'Lost and Found'. Grown-ups, in the video I will explain what I would like your child to do.

Watch the teaching video modelling how to do this:
