

Monday 22nd February 2021

Good morning Hedgehogs!

I hope you had a lovely week away from our home learning and are ready for a new week.

Mrs Hoddy

Phonics Group  
1 (20-30  
minutes)

Today we are learning the 'ue' digraph. Watch the phonics fairy's video below:

ue, I feel blue

Last time we were learning about the 'ew' digraph, today we are learning about a different way to spell 'ew' using the 'ue' grapheme. This sound is like the pink long 'oo' sound.

Task: After you have watched the Phonics Fairy read the story 'Dragon Stew', write what the dragon might say or feel using one of the ue words below.

blue, clue, due, venue, pursue, queue,  
issue, statue, rescue, argue

Phonics Group  
2 (20-30  
minutes)

Today we are learning the alternative 's' phoneme. You might like to watch the story 'My Pet Snake' again below (Phase 2):

Phonic Fairy Reads "My Pet Snake"

Task:

Get your grown up to help read these sentences. Listen out for his favourite "ssss" sound. (grown-ups- talk about the words spelt with a 'c' making a 'ssss' sound).

Jake likes to go for a cycle ride.

It's very icy in December, great for snakes to skate around on!

Jake likes to play with his snake friend Cynthia.

You can spell the phoneme 's' with a 'c'!

Task: Create a Jake snake, writing words with the c as /s/ sound alternative on his body.

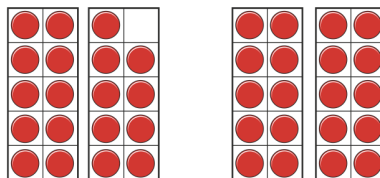

Talk about how in some words the c makes the sound /s/ where it is followed by an e, i, or y.

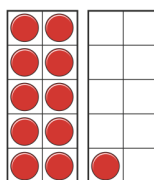

# Today in maths we are learning to order numbers within 50.

## Task A:

1)

a) What are the numbers?

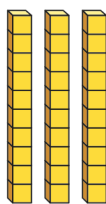

Write the numbers in order.  
Start with the smallest number.

smallest

greatest

b) What are the numbers?

Write the numbers in order.  
Start with the smallest number.

smallest

greatest

2)

## Order numbers

Cut out the numbers and order them from **smallest** to **greatest**. You may use equipment to help you.

1		8
	12	
17		22
	24	

25	16
11	21
23	3

**Task B:** work out the number representation and order them from smallest to greatest by writing the numbers down in order.

1)

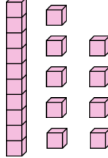

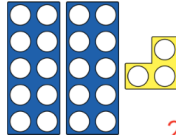

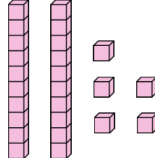

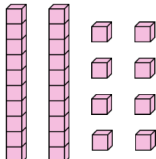

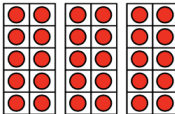

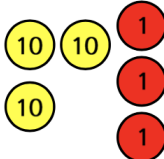

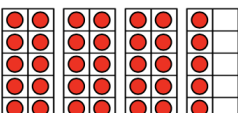

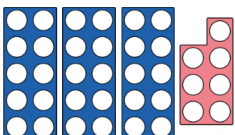

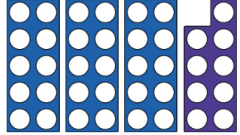

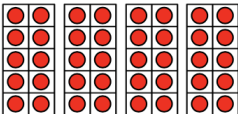

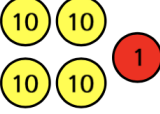

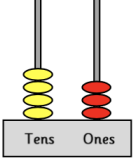

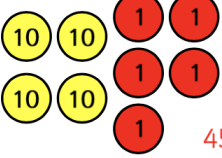

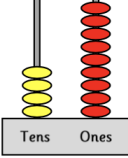

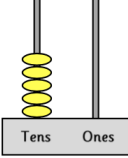

## Order number representations

Cut out the number representations and order them from **smallest** to **greatest**.

Parent answer:

## Answers - Order number representations

Cut out the number representations and order them from smallest to greatest.

 11	 13	 15
 19	 23	 25
 28	 30	 33
 35	 37	 39
 40	 41	 43
 45	 49	 50

RE (15-20 minutes)

Enquiry question: What does the cross mean to Christians?

Watch the teaching video below:

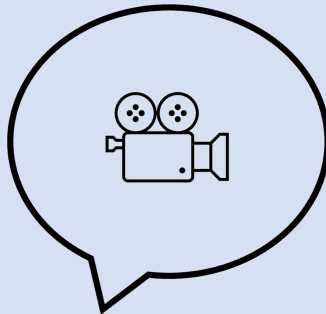

<https://www.loom.com/share/d40b886c20a143caafe4d3af631a69aa>

Task: see the teaching video where I explain the task.

Why do you think Christians believe that Jesus is special?

Reception

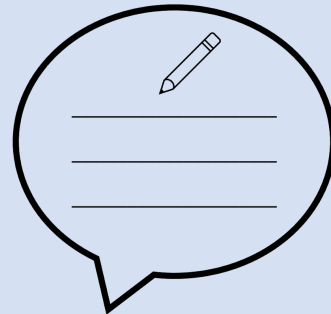

Key vocabulary:

Heal

Pray

Disciples
