the resources for today!

Task:

Find the 'igh' trigraphs in these sentences from
the story! You could highlight them.

The goats decided to cross the bridge. The troll with the tight underpants was grumpy and he wanted a goat pie. He tried to stop the first goat.

'Go away!' He kicked the troll into the night sky. The troll couldn't deny he was beaten.

That night the three goats ate the ripe grass by the pine trees and they said,
'Goodbye' to the grumpy troll with the tight underpants.
